

## Guidelines for Visiting the Tiger Reserve

### 1. Arrival

- Visitors must arrive at least 45 minutes before the Safari Time

### 2. Entry Requirements

- Obtain a permit from ATR Administration before entering the tiger reserve.
- The entry permit is non-transferable and may be canceled at any time for rule violations.

### 3. Safety and Conduct

- Do not enter the reserve with firearms or explosives.
- Smoking and carrying matches or lighters are strictly prohibited to prevent forest fires.
- Maintain silence and discipline during excursions.
- Do not carry transistors, tape recorders, or Bluetooth speakers.

### 4. Driving and Navigation

- Drive slowly, with a recommended speed of 20 km/h.
- Avoid honking.
- Always take an official guide with you and follow their instructions.
- Do not leave the vehicle unless instructed by the guide.

### 5. Wildlife Respect

- Always carry drinking water.
- Do not chase or tease wild animals; they have the right of way.
- Littering (including cans, bottles, and plastic bags) is strictly prohibited and punishable under law.
- Do not attempt to remove any forest property or produce; it is punishable under law.

### 6. Compliance

- Visitors must abide by all provisions of the Wildlife (Protection) Act of 1972 and the rules made thereunder, along with all relevant guidelines issued by the National Tiger Conservation Authority (NTCA).
- Failure to comply with these rules may result in immediate expulsion from the reserve and possible legal action.
